CORE PRODUCTS

SIMPLY AWESOME DEGREASER 6345
Formulated specifically to break down petroleum based lubricants and waste.
25% stronger than any degreaser on the market.

THE TRUTH - TAR BUSTER 6495
Our recent industry changing breakthrough! Bio & Eco Friendly formula designed to
penetrate and break down emulsified asphalt and tar.

NON-CHLORINATED - HEXANE - BRAKE PARTS CLEANER 6300
The strongest and most efficient brake parts cleaner on the market. Low odor,
high-solvency, atomizing “Sure Shot” sprayer included.

HEAVY DUTY TOUCHLESS VEHICLE WASH 6343
By far our most potent concentrate, dilutable up to 200 parts water to 1 part soap.
Spray on, let soak, high-pressure rinse for a touch-free shine.

ALUMINUM BRIGHTENER 6292
This product is designed for fast and effective removal of oxidation and corrosion
from aluminum surfaces, particularly trailers and transportation equipment.

JACK-HAMMER CONCRETE REMOVER & TRUCK WASH 6481
*Bio-safe / Non-Acid / Fast-acting*
Formulated to be safe on all surfaces including paint, glass, rubber fittings,
trim, steel, human skin/proteins and even shines aluminum.

ASPHALT RELEASE SLIDE OUT 6280
**SLIPPERY SLOPE**
A product specifically developed for the asphalt industry. It consists of natural, completely
biodegradable products that work extraordinarily well to prevent asphalt or any tar-based
product from sticking to metal. One application is sufficient for several loads.
Slippery Slope contains no volatile organic compounds and is 100% biodegradable.

ASPHALT ROLLER RELEASE ADDITIVE 6279
Formulated specifically for the water reservoir tanks in asphalt roller vehicles to prevent asphalt
and tar-based products from sticking to metal, rubber tires and wheels.

ALUMINUM SAFE PARTS-WASH DETERGENT 6825
Lime-scented powder detergent for front and top-loading parts washing
machines with built-in rust inhibitors to prevent flash rusting.
